**CSR ANNUAL REPORT FY-23** 

In a free enterprise, the community is not just another stakeholder in business but is in fact the very purpose of its existence.

#SWAF

Jamsetji Nussserwanji Tata

The Philosophy of Corporate Social Responsibility as practiced by the Tata Group is a legacy of its founders. The multitude of community initiatives the group has shown and fosterd from its earliest days flows from this wellspring voluntary, as opposed to obligatory commitment.

TPTCL is the proud owner of the first trading license issued by CERC in June 2004, it has Category I, Trading License which entitles it to trade an unlimited volume of power, both on Interstate and Intrastate basis.

Not only in award of license, TPTCL has many other firsts to its account such as implementing innovative and ethical business ideas such as intrastate captive wheeling, sale of cross border power in competitive merchant market, RE power sale to Open Access consumers, unique energy banking solutions, self-redemption of RECs, QCA services, EScerts Trading, Setting up its own RE assets, Introduction of Commercial Papers, Consultancy and Advisory services, designing power sale strategies in power markets of India & abroad, adoption of best technology such as implementing country's first EPM module solution of SAP labs and first web based interactive software to take care of its power exchange clients and adopting one of the most robust Risk Management System. This all has enabled TPTCL to continuously rank among top three power traders operating in Indian Power Market. With all these host of innovative solutions, Tata Power Trading can easily be identified as a trailblazer in the power markets.

TPTCL is a member of both of both power exchanges i.e. Indian Energy Exchange (IEX) and Power Exchange of India Limited (PXIL). TPTCL supports its clients with data driven power market analysis so as toenable them to select the optimal solution.

People are our greatest assest right from our employees and their family members who contribute their time through volunteering initiatives to our beneficiaries we constantly strive to work towards adding value to each person's life. This year, we have implemented the CSR interventions as per key thrust areas -Education, Enterprenuership & Stakeholder Engagements through CSR Interventions - Swasth Pradesh, Skill Development of Youth, Capability Development of SHG, Adhikar Empowering , Saksham Sports Disability Program and Employee Volunteering.

FOREWORD - Organise, Synergise & Scale

#### Mr. Tarun Katiyar, CEO - TPTCL

Community welfare is at the core of our philosophy that guides us as we strive to improve the quality of life of the vulnerable while embedding sustainable development into our partnership models. We are accelerating the shift from being just a resource provider to catalysing positive change and I look forward to your continuing support and encouragement to fulfil our objective of improving the quality of life in the communities we serve.

#### Mr. Pankaj Kumar Singh, Head CSR (Generation T&D & CF)

As responsible corporate citizens, let us prepare the communities we work with to dream big. We have to keep ourselves updated of the changing community aspirations and reinvent our programmes to best suit their needs. Let us resolve to do our best and carry forward the legacy of goodwill and social welfare associated with the Tata brand..

#### Ms. Diksha Singh, Head HR & CSR - PTL & TPTCL

The deep-rooted culture of commitment to meaningful community development continues to help us grow as empathetic individuals and good corporate citizens. Through Our location specific programmes, we develop customised solutions to cater to the needs of our communities based on their geographical location and cultural beliefs.
